

HOW TO SET PASSWORD FOR SCHEDULER

The image shows a Windows XP desktop with the Start menu open. The Start menu is expanded to show the 'Programs' folder, which is further expanded to show the 'INFORMIX Client-SDK 2.70' folder. The 'Setnet32' application is highlighted in the sub-menu. Red arrows point from text instructions to the Start button, the 'Programs' folder, the 'INFORMIX Client-SDK 2.70' folder, and the 'Setnet32' application.

1. Click on Start

2. Go to Programs

3. Go to INFORMIX Client SDK 2.70

4. Go to Setnet 32, then Left click
